<b>Data holder's identity, name, and contact information</b>	<b>Contract term; How to terminate it?</b>	<b>Who is the holder of the trade secret (if any)?</b>
<p>Xiaomi Technology Netherlands B.V. Prinses Margrietplantsoen 392595 AM, The Hague, The Netherlands</p> <p><a href="http://dataact.mi.com/">http://dataact.mi.com/</a></p>	<p>In general, the contract for providing related services will be valid until consumers terminate it or withdraw their consent for data processing.</p> <p>The general way for terminating the contract is to withdraw consent through the Mi Home/Xiaomi Home app or by visiting <a href="http://dataact.mi.com/">http://dataact.mi.com/</a>.</p>	<p>Xiaomi Technology Netherlands</p>

**Will Xiaomi use such related service data and for what?**

Yes, Xiaomi use this kind of data so as to fulfill the purposes as indicated above.

**Will Xiaomi share with third parties?**

In general, the answer is negative. Xiaomi will ask for the consent of users in the cases that it needs to invite third parties to provide services for users.

**Users' Right to Lodge a Complaint**

According to Article 3 (3) (g) of Data Act, users have the right to lodge a complaint with the supervisory authority of the Member State regarding, among others, data disclosure or sharing.

At the time of publication of this document, EU Member States are working on designating the authorities of accepting complaints related to Data Act, and we will keep you updated if there are any progress.
