The data collected by Xiaomi Fire TV products may vary depending on the versions and models. For specific details, please refer to the product user manual and user agreement, or contact the Xiaomi compliance team through <http://dataact.mi.com/>.

In general, Fire TVs process the following product data and related service data. If you wish to access, retrieve or erase relevant data, please visit <http://dataact.mi.com/>.

1. Product Data

Data Type	Data Processing Purposes	Data Format	Estimated Volume	Whether generating data continuously and in real time	On-device or Cloud Storage	Intended Retention Period
equipment identification information (SN number), Fire OS Version No.	Identify product categories and maintain product safety.	TXT	about 200 bytes	No, it is collected daily under normal startup conditions	Cloud Storage	In general, it is up to 1.5 years.
eMMC Data	By collecting eMMC lifetime, eMMC delivery time, eMMC factory name, eMMC remaining storage, we record memory usage and other conditions to provide relevant after-sales service.	TXT	about 200 bytes	No, it is collected daily under normal startup conditions	Cloud Storage	In general, it is up to 1.5 years

2. Related Service data

You may use third-party virtual assistants' services (such as Google Assistant, Chromecast, Alexa, etc.) through Xiaomi TVs, and you typically need to log in to your third-party account and accept user terms or privacy policies. If you use these services, your devices may generate corresponding related service data. According to Data Act, these third parties are the holders of the data. Please contact them for information regarding such data.

3. Other Information

According to Article 3 (3) (g) of Data Act, users have the right to lodge a complaint with the supervisory authority of the Member State regarding, among others, data disclosure or sharing.

At the time of publication of this document, EU Member States are working on designating the authorities of accepting complaints related to Data Act, and we will keep you updated if there are any progress.
